## Summary

Highly motivated and skilled Junior UX/Product Designer with a passion for creating exceptional user experiences. Experienced in front-end development and proficient in a range of design tools and technologies.

Committed to delivering innovative solutions that enhance user satisfaction and drive business growth. Strong ability to collaborate with cross-functional teams and translate complex requirements into intuitive designs. Seeking opportunities to contribute to the development of cutting-edge products.

## Work Experience

### Spain - Chile:

2009–2019

- Hospitality Industry:
  - ≡ Started working as a waiter in different 4-5 stars hotels in Madrid, working in different departments, such as restaurant, room service or reception. I worked in managing positions as a sommelier and a field manager (without the title) with people under my command and the specific tasks for such positions.

### Netherlands:

2019 - 2023

- Logistics Industry:
  - ≡ Working as a Returns processor for DSV.
- Hospitality Industry:
  - ≡ Housekeeping position at Van der Valk Venlo.
- ICT Industry:
  - ≡ Front End Developer at Logichainge
